BUSINESS PROFILE

Company Overview

Founded on 4th November 2023, Pafalfal Company Limited is a Nigeria agribusiness engaged in the sourcing processing, and bulk supply of premium agricultural products, with a primary focus on dried hibiscus flowers (Zobo). The Company serves wholesalers, exporters, food and beverage manufacturers, and distributors in Nigeria and international markets, including the United States.

Core Products

- * Premium Dried Hibiscus Flowers (Zabo)
- * Cassava Flour

Operations & Supply

Pafalfal Company Limited works with trusted farming and aggregation partners across key agricultural regions in Nigeria. Our operations emphasize proper sourcing, hygienic handling, quality control, and reliable bulk supply to meet buyer specifications. Our products are supplied locally and internationally, with stock currently distributed in the United States.

Quality & Compliance

The company places strong emphasis on quality control, food safety, and regulatory compliance. Our products are registered with GS1 Nigeria, and relevant documentation such as NAFDAC certification and export-related documents are provided where applicable.

Our Commitment

We are committed to consistent product quality, reliable supply, transparent business practices, and long-term partnerships with our customers.
